GO 1289 MS Dated 9/4/54

The Govt. approve an expenditure not exceeding Rs 16342/- (Rupees sixteen thousand three hundred and forty two only) on the electrification of the Govt. H.Q. Hospital, Mangalore, including the provision of 37 ceiling fans. The fans should be installed in the hospital as indicated in the Annexure to this order.

2/ The expenditure is debitable to the main estimate which includes

provision for electric installation sanctioned in G.O.Ms.No. 3777 P.W.D. 9.X.1950.

2/ The plans and estimates received from the D.M.S. are forwarded to the C.E.

From H.S. D.O. No. 9260 M/54 of 5.2.54
No. 9261 M/54 of 5.2.54
Bldgs - Govt. Headquarters and Lady Cosshen Hospitals, Kaiga
electrical installations.

[illegible] No. 3[illegible] dated [illegible]

H.S. Govt. has approved the revised estimate for the effecting certain improvements to the Govt. Headquarters Hospital and Lady Cosshen Hospital, Mangalore. The D.P.S. has now forwarded plans and estimate for the electrical installation of the new blocks in the hospitals. The estimate for the electrical installations (including providing of fans) of the new blocks in the Headquarters Hospital is Rs 12,250/- and that of the Lady Cosshen Hospital is Rs. 6780/-. It is seen from the plans kept below that providing of fans has been suggested to the private, duty rooms & nurses. Since fans are not now allowed in non-gazetted [illegible] this need not be accepted. Other items in the plans and estimates may be accepted.

The remarks of P.W. dept and Fin. dept may be invited Rs.

12 FEB 1954

Note of H.E.L.A. at p.1 ante, the letter o the D.M.S. at pp.1-3 c.f. and the Blue Prints below may be perused. The proposal in this cas relates to provision of electrical installation including ceiling fans in the H.Q. Hospital, Mangalore (Medical Ward of 120 beds and Materni Block of 40 beds). It is observed from the blu prints that provision of ceiling fans has been made for the use of N.G.Os. (viz. Nurses Duty Rooms etc.) At present there is a ban on the provision of fans to N.G.Os both in residential and non-residential buildings. In view of the prevailing financial stringency and the need to set up austerity standards this department may suggest that the scale of fans proposed may be reduced to 37 as indicated in the Statement at (

2. According to G.O.Ms.2633, P.W. dated 19-6-1953 proposals for electrification of Govt buildings should be considered only in the case of urgent and essential schemes. As the electr cal installations in this case is for a hospita the proposal may be treated as urgent and essen tial and may be agreed to.

3. There is a provision of Rs.25,935/- in the main estimate approved in G.O.3777 P.W. dated 9-10-50 for provision of sanitary install tion, water supply and electric installation ou of which a sum of Rs.8,500/- has been earmarked for electrification of the Maternity Block. The estimated cost of electric installations in the Maternity Block is Rs.6,790/- which is within the provision of Rs.8,500/- allotted for the purpose. Similarly for the Medical Ward of 120 beds a lump sum provision

of Rs.17,600/- has been made for electrification in the main estimate sanctioned in G.O.3777 P.W. dated 9-10-50. The estimated cost of electric installation works out to Rs.12,250/- which is within the provision of Rs.17,600/- made for the purpose in the estimate. No fresh financial sanction is therefore necessary in this case as the expenditure will be met from the main estimate. The proposal has come up to Govt. as specific sanction of Govt. is necessary for provision of fans. This department may agree to the proposal subject to the modifications suggested and indicated in the Statement (at -(A)). Orders may be taken in circulation including those of M (W) for the approval of this proposal. With the above remarks the file may be passed on to Finance.

(A)

Note for circulation.

The D.M.S. has forwarded plans and estimate amounting to Rs. 19,040/- for the electrical installation (excluding provision of fans) in the new blocks of buildings in the Govt. Headquarters Hospital and Lady Cooke Hospital, Mangalore. Necessary provision has been made for this expenditure in the main estimate for the construction of the buildings sanctioned in Govt. No. 3777 P.W. dt 9.x.50. It has been proposed that 5-1 ceiling fans may be provided in the new blocks of buildings. The P.W. dept. consider it sufficient to sanction the provision only 37 fans in the buildings as per details mentioned in the statement on pp 5-6 of the P. dept. have agreed with the suggestion of the P.W. dept. Sanction may be accorded for the electrical installation of the new blocks of buildings in the hospitals and also for the provision of 37 ceiling fans.

May be circulated to M(H), M(W) and M(H&C). for approval of 'A' above
